

Seasonal Flower Planter

Villani Landshapers is seeking several additions to our flower care team for the 2018 season.

Flower planting position is temporary (6-8 weeks), but for interested employees, it could evolve into a more permanent horticultural position throughout the summer, continuing with flower care and also exposing the candidate to work in many departments throughout the company and learn the ins and outs of a growing landscaping company.

This position is ideal for those who are interested in horticulture or the landscape industry, or those who simply like to work outside in the sun!

Start Date: Estimated to be around May 21, 2019 (weather dependent)

Flower planter responsibilities include:

- Prepare planting beds for annual and perennial flowers under the direction of a crew leader
- Plant flower beds and containers
- Water flower beds and containers under direction of a crew leader
- Clean up job site after completion with a high level of detail (site should be left looking better than when we got there)

Additional horticultural responsibilities could include:

- Ongoing annual bed care after the install season (weed removal, light pruning, trimming)
- Shrub trimming/shaping
- Pruning
- Learning additional landscaping/horticultural responsibilities

Requirements

- Passion for outdoor work in a fast-paced industry
- Ability to perform physical labor continually for up to 12 hours a day, in a variety of changing weather conditions
- Adheres to company policies and procedures
- Driver's license a plus, but not required

Compensation & Benefits

- On-the-job training provided to new employees
- Possible college internship credit
- Uniform shirts & hats
- Compensation starting at \$10-15/hr. depending on experience
